Dear Members,

We can not sit idly by wondering who will be laid off next.

Trustees need to know that we are paying attention to the decisions they make. We will speak out when inexcusable bad decisions are made.

Trustees are accountable to those who put them into power, and I will be asking our trustees to provide us an understanding of which trustees voted in favour of these lay offs.

Tell YCDSB trustees that you want to see the layoffs rescinded and the Library techs brought back to work.

It is not too late, please take a quick moment and send your message.
